

FunFlex

Swimming noodle by Thermaflex®

High quality PE cylindric foam for swimming and other activities

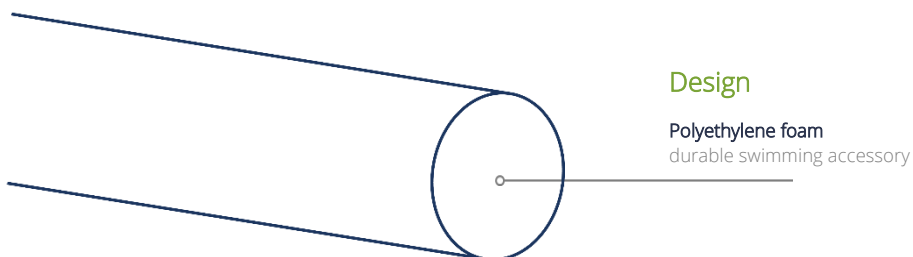

Benefits

- Children's Pool Toys – a variety of attractive colors to choose from, durable enough to withstand many years of continued use and are safe for children
- Swimming Assistant – can be used to teach your children how to swim, can act as a substitute to a floatation device
- Enhancer of Basic Swimming Skills - can be used by a child or an adult in order to develop the skills necessary to become comfortable in water while also understanding the basics of swimming
- Lightweight accessory for physical therapy and stretching, especially for seniors and people with mobility issues

Applications

- A flexible solid foam cylinder that can be used as a float, pool toy, and even as a piece of water aerobics gear, exercise equipment or physical therapy aid
